# REHUMANIZE INTERNATIONAL ALLIED GROUP STATEMENT

---

A Rehumanize allied organization is an already-existing group that chooses to sign onto the pledge on the next page. An allied group can be any multi- or single-issue focused group that affirms the principles of the Consistent Life Ethic. You are not required to directly work on every issue within the Consistent Life Ethic framework; however, your activism cannot contradict Rehumanize International's position on any of these issues within the pledge.

As an allied group, you will have regular free access to:

- Outreach Materials
  - Stickers
  - Tabling supplies
  - Personalized Sidewalk Advocacy Pamphlets, Resource Information, and more
- Guidance
  - Web-based talks
  - We can work with you for a discounted honorarium for in-person events
- Event and Campaign Assistance
  - Priority over other non-allied groups when it comes to choosing the Rehumanize Conference location
  - Promotion to our general audience for major events and campaigns
